Dear Friends through Travel,

It's difficult to believe that the first four months of 2013 are already over! Where has the time gone? There must be something to that old saying, "Time flies when you're having fun!" We've been busy with a multitude of wonderful winter and spring cruises and tours and now it's time to look ahead to see what the rest of the year will bring!

As we move into late spring and summer our groups are headed for Alaska, Washington, D.C., Cape Cod and Newport, the Mediterranean, New York City, the Canadian Rockies, Oregon, Scandinavia, and the Black Hills and Badlands of South Dakota. We even have a trip going to Milwaukee to see the Cardinals wallop the Brewers! All of these trips aren't listed in our newsletter because some are already full. However, if you have a special interest in one of these destinations let us know so we can put you on a waitlist.

Autumn brings opportunities to experience the beautiful landscapes and attractions of the Pacific Coast of California, the incredible tapestry of Tuscany, and the Broadway shows and excitement of New York City. Our two New England foliage trips are full, but let us know if we should call you in case we have cancelations.

Get into the spirit of the holidays on our Christmas at the Biltmore, Christmas in Chicago and Nashville Country Christmas motor coach tours or fly with us to San Antonio for an enchanting holiday experience!

Now is also the time to secure your stateroom for one of our fabulous 2014 winter cruises. We're headed to the Caribbean, the Panama Canal during its 100th anniversary year, Spain, Portugal & the Canary Islands, and South America! See all the details inside this newsletter!

Happy travels!
Anne and Kevin
