

Alaska!

4-Night Kenai Adventure & 7-Night Cruise

Day 1

Today we board our flight bound for **Anchorage, Alaska!** Upon arrival we'll take a short **sightseeing tour of the city**. Our tour will end at the **Anchorage Hilton** where we will check in for a one night stay. Our hotel is conveniently located in the heart of downtown Anchorage with all of its shops and museums. Relax in your room and enjoy the majestic and panoramic views of the Cook Inlet, the Chugach Mountains or picturesque Anchorage and then get out and begin to explore!

Day 2 (Dinner)

Enjoy a leisurely morning in Anchorage with plenty of time for shopping, museums and lunch before we depart this afternoon and travel southward on the stunning **Seward Highway**. It has been called one of the most scenic highways in the U.S. and has been designated as a USDA Forest Service Scenic Byway. We'll follow the north shore of the **Turnagain Arm** into **Girdwood** where we will check into the fabulous **Alyeska Resort** for two nights. This \$200 million dollar chateau-style hotel, nestled at the base of **Mount Alyeska**, has been named the best hotel in Alaska and appears on the Conde Nast Traveler Gold list. Get settled in your room and then spend the afternoon at leisure. Walking trails will likely lead you by bushes full of blueberries, boysenberries and raspberries. Eat them right out of the bush just as the locals do! You will also be able to ride an **aerial tram to the top of Mt. Alyeska** for a breathtaking view of the Turnagain Arm, the endless peaks of the Chugach Mountain range and up to seven "hanging" glaciers. Dinner is included this evening at the resort.

Day 3 (Breakfast, Lunch)

After breakfast at the resort get ready to leave for **Cooper's Landing** and a **scenic float trip** along the aqua-tinted **Kenai River**. Watch for wildlife as your guide navigates you through the snow-capped mountain scenery of the **Chugach National Forest** and the **Kenai National Wildlife Refuge**. Keep your camera ready and watch for moose, eagles, Dall sheep, mountain goats, salmon, waterfowl, beaver, and bear. Hear the stories behind the sights - the wildlife, the native inhabitants, the gold miners, and the early settlers. Learn about the forces of nature that shaped the **Kenai River Valley**. A **traditional salmon bake** is included after our excursion.

Day 4 (Breakfast, Lunch)

Enjoy breakfast at the resort before departing for **Seward** where we will take a **cruise into Kenai Fjords National Park**. On this 110-mile round-trip excursion you will see abundant wildlife, a tidewater glacier and spectacular scenery. Watch for sea critters like harbor seals, sea lions, whales and the incredible puffin. Hear the glacial boom as giant pieces of ice break away and crash into the icy waters. A deli lunch will be served on board. By late afternoon check into the **Holiday Inn Express** or the **Wind Song Lodge** in Seward for a leisurely evening.

Day 5 (Breakfast – All meals included on ship beginning at lunch today)

Get ready for another exciting day. We begin with a visit to the **Seavey family's Iditarod complex** for a **wilderness dogsled ride and tour**. Feel the power, excitement and energy of the amazing sled dogs as they are harnessed to your comfortable wheeled sled. Take a **two-mile dog sled ride** through the Alaskan wilderness to the base of **Resurrection Mountain** and along **Box Canyon Creek**. Your Iditarod veteran guide will tell you stories as you experience the raw power of 13 Iditarod sled dogs. Upon return to the kennel, tour the facilities and cuddle adorable puppies.

Next, we're on our way to board **Royal Caribbean's** beautiful **Radiance of the Seas** for a **7-night cruise**. Get settled in your stateroom on this fabulous ship and then enjoy lunch on board before we sail away!
