

# New York City!

Featuring sightseeing, shopping and shows

## **Day 1 (Dinner)**

We depart this morning for the “**Big Apple.**” Upon arrival we will transfer to the **Millennium Broadway Hotel** where we will check in for four nights. This lovely hotel is conveniently located right in the pulsating heart of **Times Square** and New York City’s historic **Theater District**. All of the excitement of the city is right at your doorstep!

This evening enjoy a delicious gourmet dinner at the legendary **21 Club**. Attentive service, fine American cuisine and unique, historical surroundings set the ‘21’ apart. Once a glamorous speakeasy, today ‘21’ is one of the most celebrated restaurants in New York City.

## **Day 2 (Dinner)**

Depart this morning on an exciting and informative **tour of New York’s mid-town and upper east and west sides**. During the tour you’ll see **Rockefeller Center, St. Patrick’s Cathedral, Radio City Music Hall, Central Park, Fifth Avenue** and much, much more. The tour will end back at the hotel where you will have time for lunch before attending a matinee performance of a popular **Broadway musical**.

After the show enjoy dinner at the **Heartland Brewery Chophouse**—New York’s first American style brewpub. Then the evening is yours to enjoy the excitement of Times Square or to see another Broadway show on your own.

## **Day 3 (Lunch)**

Our guide joins us again this morning for a **tour of lower Manhattan** where you’ll see the lively neighborhoods of **Little Italy, SoHo** and **Greenwich Village**. See the **financial district, Wall Street** and visit the new **9/11 Memorial at Ground Zero**. This afternoon our group will enjoy a traditional and “hearty” Italian lunch at **DaNico’s Italian Ristorante**. Afterwards you’ll have your choice of shopping in colorful **Chinatown** or joining your tour director on an *optional* trip to historic **Ellis Island**.

The evening is free for you to pursue your own interests. Perhaps have dinner at one of the many restaurants near your hotel and then attend a Broadway show or take an evening trip to the top of the Empire State Building for a birds-eye view of the sparkling city below.

## **Day 4 (Lunch)**

Today you’re in for a special treat as we board the coach for a **Slice of Brooklyn Tour** – voted the #1 tour of Brooklyn by Trip Advisor in April 2011! This tour covers pizza...and Brooklyn... from one end to the other. You’ll experience it all from award-winning, Neapolitan-style pizza at world famous Grimaldi’s under the Brooklyn Bridge, to the legendary Sicilian-style pizza at L&B Spumoni Gardens in Bensonhurst. This multimedia sightseeing tour highlights Brooklyn’s famous neighborhoods, parks, landmarks and famous movie locations like Saturday Night Fever, Goodfellas, The French Connection and more. You’ll see Coney Island, the million dollar homes along scenic Shore Road in Bay Ridge and everything in between!

Following time to relax and have dinner on your own we will take our seats for another **Broadway musical**.

## **Day 5**

This morning the ladies will gain special access to the epicenter of the fashion industry on a **Garment Center "Insider" Shopping Tour**. You'll go "behind-the-scenes" on a shopping expedition to private Wholesale Showrooms (not accessible to the public), and the hot Samples Sales of the day – a NYC phenomenon where discounts on women's "better" & designer clothing/accessories are up to 70% below retail. The designers you'll find are a combination of household & emerging names and those known only to ardent fashion-followers. Learn interesting historical tidbits, see the buildings that house the likes of Donna Karan, Ralph Lauren & the *Project Runway* contestants, and learn how this booming industry impacts the world. **NOTE:** Some places accept credit cards; some cash only. Best to come prepared with both.

While the women are shopping, the men will visit the **Intrepid Sea, Air & Space Museum** - one of America's leading historic, cultural and educational institutions. The museum features a range of interactive exhibits and events providing a snapshot of heroism and patriotism. The Intrepid is dedicated to the exhibition and interpretation of history, science and service as related to its home aboard the USS Intrepid, a National Historic Landmark. As you explore the museum you will be able to examine original artifacts, view historic video footage, and explore interactive exhibits.
